

Dragons Class Newsletter ~ Friday 20th November 2026

Our school mission is what God sent us into the world to do – to help build His Kingdom through learning, playing and making friends together.

The tools we will use to do this are:

Care Share Love Trust Respect

Hello,

We've had a lovely week 😊

Our learning this week:

★ In RE we started to think about advent and what Christians do to prepare for Christmas.

★ We worked on multiplying and dividing by 0 and 1, dividing a number by itself and multiplying three numbers.

★ In English we wrote character descriptions using expanded noun phrases and letters in role, using persuasive language. We learnt about adverbs and the spelling rules of adding 'ly' to root words.

★In Art we looked at a page from the Book of Kells and thought about line, pattern and colour.

★In French we revised numbers up to 39, and practised saying how much things cost.

★ In Computing we planned how we would program Logo the turtle to draw the initials of our first names.

★ In History, we made timelines of key Anglo-Saxon events.

★ In Science we finished our posters about electrical safety.

★Celebration assembly ★

This week we celebrated:

Arthur for being a 'Stella' Writer, working hard to improve his writing.

Birdie for being such a loving and caring member of our class.

Arabella for being our Maths Master and really challenging herself.

CHRISTMAS FAIR HELP NEEDED

On Thursday 10th December there we be a Christmas Fair after school, with each class having a stall. We thought our class could do a 'Find a Festive Friend' stall if we are able to get enough donations of unwanted soft toys from children in our class (and their siblings). The children can then make a Christmas themed name tag and friendship certificate for each soft toy. An eco-friendly idea too 😊

Please bring in any unwanted soft toys (but in a suitable condition for this purpose) as soon as possible. Thank you for your support with this.

Reminders

★ The children have PE on a Wednesday – please make sure they come to school wearing the correct PE kit.

★ Please ensure your child brings a water bottle and coat to school.

★Please make sure your child practises their spellings ready for a test every Friday.
