

# Elves Newsletter – Friday 25<sup>th</sup> September 2026

~ Our school mission is what God sent us into the world to do – to help build His Kingdom through learning, playing and making friends together.

The tools we will use to do this are:

**Caring Sharing Love Trust Respect**

## What have the Elves been up to this week?

In Reflection this week, our theme was 'Care'. We thought about how we care for each other at home and at school. We also talked about how we care for God's World as we have continued to think about the Creation Story in RE.

In English we have started to think of ways we can describe Traction Man using noun phrases. We came up with lots of great vocabulary choices and worked hard to put them in a sentence with a capital letter and full stop.

In Maths, we counted in 2s, 5s and 10s this week. Counting aloud and filling in missing numbers have helped us to start to learn how to count in 2s, 5s and 10s. We will continue to practise this next week.

In Art, our topic is Puppets, and over this term, we will be exploring Puppets – how they are made and how they move. Please send in a sock that you no longer need so that your child can make a sock puppet. 😊

Our class Superstars this week are **Juanit and Rose!**

Juanit and Rose for their independence and for doing their best and always challenging themselves in all their lessons. Well done to you both!

If you need to contact either of us please do email directly and we will respond as soon as we can.
