

Friday 9th October 2026 – Hobbits' Newsletter

Our School Mission is what God sent us into the world to do – to help build His kingdom through learning, playing and making friends together.

The tools we will use to do this are:

Loving, Caring, Sharing, Trusting, Respect.

Our theme for reflection this week was 'respect'. We have worked hard on thinking about what respect looks like in school.

RE: This week we have created our own canticle praising Creation. This was based on Saint Francis' canticle of Creation.

Maths: The children have continued working hard on their addition and subtraction unit. They've also revisited their number formation as they've got in a bit of a muddle at times.

English: In English, the children have finished their first big write. They look amazing! We cannot wait to show you on parents' evening.

PSHE: We have been exploring what British Values are and have focussed on democracy. We made votes for our school council.

This week, we celebrated Beatrice for all her magnificent homework. We are all very impressed with her effort. We would also like to celebrate Freddie C for his amazing RE work that he did with Miss Rainey this week.

Teacher message:

Our class attendance this week: 96.6%

Please can you kindly send your child's reading record in every day as we are doing guided reading four times a week. We would like to record our sessions in your child's reading record.

Thank you for your continued support.

Have a lovely weekend!
