

Our school mission is what God sent us into the world to do – to help build His Kingdom through learning, playing and making friends together.
The tools we will use to do this are:

Caring

Sharing

Love

Trust

Respect

Letter No 7

The Pixies - Newsletter

Dear Parents/Carers,

In RE we have thought about our common home and looked at how other people around the world care for it. Today we performed a song at the whole school Harvest assembly.

Assembly

In celebration assembly we celebrated Cecilia W for her Billy Goat Gruff homework and Hector for his independent reading tasks.

Reading - Pixies are doing so well in their reading groups. Please make sure that the Big Cat phonics books come into school every day. They will be changed at some point during the week, following each's group's third reading session. Your Pixie is able to change their sharing book whenever they feel they want to.

Maths - The Pixies thinking about 6 and finding number bonds to 6 and extending it to number bonds within 10.

English - The Pixies have been focusing on the story of The Magic Porridge Pot. They know it's a story from Germany. They have changed the ending and also sequenced the original story.

Geography - The Pixies have recapped on all of our Geography learning this term. They have written the names of the four countries of the UK on a map and added extra detail such as capital cities and Folkestone.

PSHE - This week we have been focusing on the Rule of Law and realised why it is important to have laws and rules.

Dates: Next Tuesday and Thursday are parents evening slots.

Thursday 22nd October - break up term 1 - usual time of 3.15pm

Monday 2nd November - first day of term 2

Have a lovely weekend.

Mrs Felicetti
