Our School Mission is what God sent us into the world to do – to help build His Kingdom through learning, playing and making friends together.

The tools we will use to do this are: Loving, Caring, Sharing, Trusting and Respect

Friday 15th November 2024

Hello! Week two done with lots of learning! This week we have thought about Remembrance Day, beginning the week with a beautiful Celebration of the Word. The children painted some beautiful poppies, thinking about their shape and colour. They also made poppy cookies and sewed a felt poppy with the help of their Unicorn friends, and they wore their poppies on Remembrance Day. We have put all of the work on display in our classroom.

In Daily Reflection this week we have been thinking about the word Faith. We talked about how Faith means to have trust. We have faith in God which means we trust in him, we can talk to him and ask for help along the way.

"Trust in the Lord with all your heart and lean not on your own understanding." Proverbs 3:5

In RE this week, we have been thinking about how we must treat others in a caring way because God made us all. We looked at some pictures of a little boy called Aaron who lives in Liberia, he lived a very different life to us but is still special. The children thought about what makes them special and drew a picture of themselves doing something special. They also wrote some key words to go alongside their drawing.

In Phonics this week the children have been learning the sounds v, w, x and y. The children are all working hard in Phonics, and it is great to see that they are using their phonic knowledge when they write and writing down the sounds they can

hear. Please practice the sounds below with your child and do the phonics home learning sheet if you can.

 V	 volcano	Put your teeth against your bottom lip and make a buzzing **vvvvv vvvvv**	Down to the bottom of the volcano and back up to the top.
 W	 wave	Pucker your lips and keep them small as you say **w w w**	From the top of the wave to the bottom, up the wave, down the wave, then up again.
 X	 box	Mouth open, then push the **cs/x** sound through as you close your mouth **cs cs cs (x x x)**	Start at the top, then across to the bottom of the box. Start at the top, then across to the bottom of the box.
 y	 yoyo	Smile, tongue to the top of your mouth, say **y** without opening your mouth **yyy**	Down and round the yo-yo, then follow the string round.

In English this week we have been thinking about Remembrance Day. We looked at lots of pictures of poppies and wrote some sentences about the poppies. We have also shared lots of different books that the children have brought in from home. The children have really enjoyed sharing their books with their friends. The children wrote a sentence, describing their poppies that they had made.

In Maths this week the children have been thinking about comparing different amounts. The children have been looking at sets of objects and deciding which one has more or less, and explaining how they know. They have also sorted representations of numbers into different groups.

Please encourage your child to put their coats on independently now that the weather is getting colder. Some children can now do up their own zips, which is great!

In celebration we celebrated Bonnie and Fox for always showing our Gospel values and helping others when they need help. They have shown wonderful kindness this week too. We also celebrated Harper who has tried really hard in her number work this and Poppy. C whose writing has been great, she has been thinking about keeping her letters on the lines. Well done, we are so proud of you all…..Keep up the hard work!

Extra Information

-Wednesday 25th November, Year R height and weight checks with the NHS.

-Friday 27th November, Year R and 1 Christmas decorating afternoon, 1:30pm, for parents.

-Monday 30th November, No School on this day as it is an Inset Day.
