

Unicorns Newsletter – Friday 9th October 2026

Our school mission is what God sent us into the world to do – to help build His Kingdom through learning, playing and making friends together.

The tools we will use to do this are:

Caring Sharing Love Trust Respect

R.E: The theme for reflection this week has been 'Respect'. The children have spent time showing respect to themselves and others as well as sharing ways that they think they could show respect. In our RE lessons, we have continued to learn about the new covenant and the creation of the world.

What have the Unicorns been learning this week?

- In our maths lessons, we have been expanding our multiplication skills by completing questions that involve long multiplication and worded problems.
- In English, the children have been writing war poetry in preparation for Remembrance Day. They have truly blown me away with the emotive language that they have been using.
- In science, we have been learning about World Space Week.
- Today we celebrated Hello Yellow Day. We have completed some activities that make us happy and have a positive impact on our mental health and wellbeing.

Key dates for Term 1

- Monday 19th October - Immunisation in school (email has been sent with information regarding consent or withdrawal).

More dates to follow...

Please look out for the opportunity to book a Parents Evening appointment soon.

Class attendance

93.1%

Our superstars this week are **Beau & Rhion**! Well done!

Class choice - A Unicorn will be selected at random to be celebrated each week and the class will decide why that person deserves to be celebrated.

The class choice this week was **Beau**.

Beau was celebrated because 'he is a hard worker, a good friend and he is funny'. One of the children decided to write this... '**Beautiful, Extraordinary, Amazing, Unbelievable!**'

Rhion blew us away with his incredible poetry writing this week. We cannot wait to read the final draft of his war poem. Keep up the good work Rhion!

REMINDERS

- P.E is on **Thursday** this week. Please can you ensure that your child is wearing the correct P.E kit to school.
- Please ensure that your child has a waterproof coat/jacket for playtimes as the weather does seem to change very quickly at the moment.

We have nearly reached half term. Keep working hard Unicorns!

Enjoy you weekend. See you all on Monday.

From Mrs Cox, Miss O'Hagan & Mrs Stevens
